

27/11/2018

Members present: Fr Maleko, Ken Eades, Matt, Teresa Howman, Kiko Mataele

Apologies: Pat, Tina (Peter Dawson)

Opening Prayer and Chairperson: Ken Eades.

Minutes Passed:

Matters Arising:

Door Decoration: There is some debate about including images of St Catherine of Sienna. The parish has celebrated St Catherine of Sienna in the past. Maybe a Layperson can confirm this. The council will have more information about the correct St Catherine if there was more information available from the archive. The last meeting had a better agreement on the topic but not today. Maybe we can vote or clarify. More members are needed to agree and approve the proposed layout of the door decoration. Things need of moving.

Youth matters: Youth mass supporting school mass at 10.30am and doing a farewell for Steve Coulam.

Youth going well, the dream of going to WYD maybe the next one. They are having connections/network with other youth groups (Taita, Riverstone) and other activities happening around.

School: School fees being increased will be a challenge for some families. Looking into Oscar funding through the Ministry of Social Development, as a way to provide assistance for families.

Parehaka: mass was a success

LED Signal: Stewart need to put them together, glass has been recently donated which costs approximately \$600.

Parish Library: Cushla and Teresa have tidied up the library and Cushla will put a notice for someone to help as a library ministry (ministry for the parish).

AGM: Discussed the possibility of a public meeting for the whole church community. Something to look into in the future as a way to include everyone. This type of meeting has been well implemented in other churches.

Multicultural mass: Create a thank you letter for the event of the multicultural day to thank the liturgy committee.

Social Justice: Thank you for all the amount of support.

Safeguarding: Safety is a priority especially working in ministries, even cases such as older young adult runs the youth.

Survey: Need to finish it off. Need to do it again next year. We will look into it next meeting in January.

Other Business:

Stewardship (Program): Talents Time and Treasure, maybe we can do a fundraising necessarily. To start a stewardship group, more information from the coordinator. Teresa will make the contact.

Advent: Youth will be setting up the stable.

Meeting Closed: 8.30pm

Next Meeting: Tuesday of 29th January.
