

PRAYERS OF THE FAITHFUL

Saturday 14th May/Sunday 15th May

5th Sunday of Easter

Priest:

Loving God, whom changes all our suffering and makes everything new. As we place our trust in your true words, we bring before you our prayers of intercession.

Leader:

We pray that pope Francis and all our holy clergies gain the strength and encouragement to remain true to the faith.

Lord hear us

Help us lord to always follow your example and love others just as you loved us. May our actions of love teach others to do the same and that they always choose to love one another.

Lord hear us

We continue to ask for peace and kindness to grow in this world; our prayers especially go out to those affected by war, hardships and pain.

Lord hear us

May our Parish work together as one to build an everlasting family love that treasures its current foundations and welcomes all things new.

Lord hear us

Lord, we ask that you stretch out your hands and touch those who really need your healing power.

Lord hear us

For all those who have died...(pause in silence)...may their souls be lifted up and given new eternal life with you up in heaven.

Lord hear us

Priest:

Ever loving God, we have faith that you are always listening and we wholeheartedly pray these prayers through Christ our Lord.

Amen
